**Home Storage Solutions  
Wardrobe Inventory**

## **Let's get started with your plan**

This inventory is a good way for you to start looking at your current closet situation and begin to see how to turn this into your sanctuary.

You begin and end your day in your closet. It need not be a source of stress and you should be able to find both shoes without rummaging around on the floor. We will **maximize your space** with **style** and **function** that will exceed your expectations.
